COLLECTION

Scandium™ shown

■ The Radium™, Scandium™ and Elite™ CVF catalytic vent-free fireplaces from the Dave Lennox *Signature™* Collection reflect the ultimate in innovation. Less than eight inches deep, they're ideal for contemporary living spaces, high-rises, lofts or any space where venting cannot be installed, and the slim and modern design makes installation as easy as hanging a picture on a wall. Patented* catalytic technology cleans the hot air as it leaves the combustion chamber and, because these fireplaces boast a fuel efficiency approaching 100%, nearly all the heat produced is distributed directly into the living space. These sleek offerings create a unique fire presentation that is sure to amaze and mesmerize. ■

*U.S. Patent 5,678,534

STANDARD FEATURES

Approaching 100% efficiency lowers fuel costs

Vent-free configuration allows installation almost anywhere a gas connection is available

With less than eight inches in depth and no special framing requirements, unit installation is about as easy as hanging a picture on a wall

Patented catalytic technology cleans hot air as it leaves the combustion chamber

Adjustable flame height and heat intensity

Radium meets BTU and exhaust temperature requirements allowing installation in bedrooms*

Burns natural gas or propane

20-year limited warranty

Backed by the Good Housekeeping Seal

**Check local codes*

PERFORMANCE INFORMATION

Percent of Allowable Per ANSI Z21.11.2

Test results by independent laboratories confirm that Radium™ and Scandium™ catalytic vent-free gas fireplaces meet or exceed current and applicable nationally recognized standards and recommendations for indoor air quality and are among the cleanest-burning unvented products when measuring allowable levels of combustion byproducts such as carbon monoxide and nitrogen dioxide.

PRODUCTS AND DEALERS YOU CAN COUNT ON

At Lennox, we understand how important it is for you to feel comfortable at home, so we're committed to providing you with the finest hearth products available. Choosing the right dealer for your hearth needs is every bit as important as choosing the right brand, and we think you'll agree that our dealers are a big reason why you can count on getting quality customer service when you call.

Elite™	NG 6,825	3,412	23-13/16"	27-5/32"	6-1/4"
	LP 5,800	3,412			

IMPORTANT NOTES:

As with any heating appliance, fireplace or stove, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, ceiling height, accessories chosen and appliance location.

Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
